EXPERIENCE

GSA Inc. | San Marcos, TX | Web Designer & Digital Marketing Specialist **April 2023 - Present**

- Produce high-quality **short-form videos, graphics, and digital content** to support marketing campaigns and Medicare education.
- Develop creative concepts for Meta Ads, Reels, and explainer videos, resulting in improved engagement and lead generation.
- Own the creative production pipeline, scripting, filming, editing, motion graphics, and exporting platform-optimized content.
- Design branded visuals for social media, web pages, email, and promotional materials using Canva + Adobe tools.
- Collaborate with leadership to refresh visual identity and improve storytelling across channels.

SharedTEAMS | Remote | Digital Production Specialist (Web & Media) **July – September 2025**

- Produced multimedia content, including videos, graphics, motion assets, and marketing visuals, for clients across multiple industries.
- Edited and optimized short-form videos for social media campaigns, improving brand storytelling and audience engagement.
- Interpreted creative briefs and executed polished deliverables aligned with client branding and tone.
- Collaborated with account managers and designers to create consistent, cohesive content across platforms.
- Managed multiple projects simultaneously while maintaining quality and fast turnaround times.

KTSW 89.9 | San Marcos, TX | Assistant Director of Social Media **August 2022 – May 2024**

- Led a team of content creators to produce high-quality digital media supporting station programming.
- Increased engagement through platform-native editing, audio trends, and optimized posting strategies.
- Built strong relationships with artists, organizations, and campus partners to support promotional campaigns.
- Oversaw visual direction for social branding, refining the station's online identity and storytelling voice.

The Pace Center at Texas State University | San Marcos, TX | Student Social Media Contributor. **August 2022 - December 2022**

- Created multimedia content that supported customer acquisition across client campaigns.
- Used analytics insights to refine creative strategy and audience targeting.
- Enhanced client brand presence through coordinated digital content execution.

PROJECTS

GradFlow | Capstone Project. **January 2024 – May 2024**

- **Designed a concept career management platform for students/recent grads**
- Built wireframes and marketing mockups in Canva, InDesign and Excel
- Presented a multimedia pitch deck showcasing UI/UX, job-matching concept and brand vision
