EXPERIENCE

GSA Inc. | San Marcos, TX | Web Designer & Digital Marketing Specialist **April 2023 - Present**

- Design and manage multiple WordPress websites, improving usability, readability, and audience navigation.
- Build and refine landing pages and conversion funnels to support lead generation and seasonal campaigns.
- Implement front-end enhancements (HTML/CSS edits, responsive layout fixes, plugin configuration, UX updates).
- Create cohesive digital assets including graphics, short-form videos, and web visuals for site and ads.
- Support digital strategy through integrated content planning, analytics insights, and multi-channel campaigns.

SharedTEAMS | Remote | Digital Production Specialist (Web & Media) **July – September 2025**

- Supported web-related projects by providing landing page content, UI asset preparation, and CMS-ready visuals.
- Prepared graphics, layouts, and media formatted for WordPress, Webflow, and digital ad platforms.
- Ensured all visual assets met responsive and accessibility standards, improving user experience across devices.
- Managed multiple projects simultaneously in a fast-paced, deadline-driven environment, maintaining accuracy and attention to detail.
- Utilized organizational tools and structured systems to ensure smooth production workflows and timely delivery of assets.

KTSW 89.9 | San Marcos, TX | Assistant Director of Social Media **August 2022 – May 2024**

- Led a team of content creators to produce high-quality digital media supporting station programming.
- Directed creative strategy for Instagram Reels and TikTok to boost engagement and brand visibility.
- Collaborated with partners, artists, and campus organizations on digital promotions.
- Strengthened brand identity through consistent visual storytelling and multimedia campaigns.

The Pace Center at Texas State University | San Marcos, TX | Student Social Media Contributor. **August 2022 - December 2022**

- Created multimedia content that supported customer acquisition across client campaigns.
- Used analytics insights to refine creative strategy and audience targeting.
- Enhanced client brand presence through coordinated digital content execution.

PROJECTS

GradFlow | Capstone Project. **January 2024 – May 2024**

- **Designed a concept career management platform for students/recent grads**
- Built wireframes and marketing mockups in Canva, InDesign and Excel
- Presented a multimedia pitch deck showcasing UI/UX, job-matching concept and brand vision
